

Make sure your child is part of the  
“IN” Group and not the “EX” Group.

Beginning in April/May, throughout surrounding districts, your child **will be** excluded (suspended) from school if they are missing any required vaccinations **OR** proof of vaccinations.

According to our records, **your child is not up-to-date** with the Pennsylvania School Immunization Requirements. If our records are wrong, please provide the school nurse with the documentation from your child's health care professional.

If our records are right and your child still needs vaccinations ... **DON'T WAIT!**

**MAKE YOUR APPOINTMENT NOW WITH EITHER YOUR  
HEALTH CARE PROFESSIONAL OR THE MONTGOMERY  
COUNTY HEALTH DEPARTMENT CLINICS.**
